It was a pleasure to be here - great company, great food, lovely accommodation - very refreshing to see good condition horses & dogs. & well loved. Awesome for the confidence to ride a nice quiet stallion! Relaxing quiet surrounds.

With good memories & good, safe protection for you & your animals.

My time at Nirvana's Horse Resort has been one of the most memorable experiences of my life! I arrived half way by white water rafting led by experienced water guide - a great start to my adventure! I was met by Michele at the river and taken to the resort. Nirvana's Horse Resort was just the way it was described and looked on the internet site - if not better. I was greeted by 5 gorgeous horses all looking happy and alert over their stable doors & oh and a bounding joyful German Shepherd!

Michele and her assistant cooked up a delicious meal and then I was ready for my sleep. The accommodation was very comfy and clean and decorated well.

The next day I started my adventure on horse back into the depths of Chitwan National Park. Imana, the horse I rode, was such a beautiful horse with a lovely nature. He responded
